Dear friends,

“Update Ayurveda 2014” is a 3-day Conference organized every four years since 1988. This is a unique conference which attempts to compile the major research developments in the field of Ayurveda at the National and International levels through various topics and also strives to create a vision for the development of Ayurveda.

The main objective of the Conference is to bring researchers from Modern medicine, Ayurveda and Herbal research onto a common platform where they can discuss and disseminate their knowledge in order to amalgamate traditional research with modern science.

The Conference has always focused on various contemporary themes promoting research and development in Ayurveda. This year’s theme is “Technology meets Tradition” through which we plan to bring Ayurveda and contemporary science together to synthesize an integrated approach of health care where modern technology meets traditional wisdom without compromising the values inherent to them.

2 Pre-conference Workshops are also planned to provide hands-on experience in “Molecular Biology Techniques” and “Statistical and Research methodology with Ayurvedic Perspective” on 9th & 10th December 2014 respectively.

To encourage young researchers, this year we have arranged a prize paper session in addition to a free paper session (posters/ oral papers).
PROGRAM HIGHLIGHTS

- Dr. Sharadini Dahanukar Oration
- Symposium I: Insights from Modern Biology in Ayurvedic Fundamentals
- Symposium II: Exploring concepts in Ayurvedic Pharmacology
- Symposium III: Blending technology with Ayurvedic Pharmaceutics
- Symposium IV: Ayurvedic diagnostics and therapeutics: merging technologies
- Symposium V: Expanding Horizons
- Panel Discussion: A way forward- Technology meets Tradition

Conference Secretariat:
Dept of Clinical Pharmacology, TNMC & BYL Nair Ch. Hospital, Mumbai
Phone: 91-22-23014713; Fax: 91-22-23050347
e-mail: updateayurveda2014@gmail.com
Dates to remember:

**Pre-conference Workshop (PCW) 1 on “Mana Praman: Statistics and Research Methodology with Ayurvedic perspective”**
*Venue-* TN Medical College & BYL Nair Hospital  
*Date-* 9<sup>th</sup> December 2014

**Pre-conference Workshop (PCW) 2 on “Molecular Biology techniques”**
*Venue-* Department of Biotechnology & Bioinformatics, DY Patil University  
*Date-* 10<sup>th</sup> December 2014

**Conference-**  
*Venue-* Auditorium, Ground Floor, College Building, BYL Nair Ch. Hospital  
*Date-* 11<sup>th</sup>-13<sup>th</sup> December

**Important Note:** Accepted abstracts will be published in the Journal of Ayurveda and Integrative Medicine (JAIM) as open access online supplement. The Journal also encourages publication of research papers presented at the Conference subject to fulfilling the peer review process.
## Registration Fees
